## HOW WILL I BENEFIT FROM THIS RETREAT?

- Experience the intimate and healing presence of Jesus.
- Join others and pray for our city.
- Share or listen to what God is saying about the Twin City area and what we have to look forward to.
- Enjoy a “be real” and inspiring spiritual environment.

## WHAT IS GARDEN MINISTRIES?

Garden Ministries was started in 2004 by George and Janet Weaver Smith. They started a House Church and launched a website, [www.gardenministries.org](http://www.gardenministries.org), with a vision

- To reconnect the ever-growing numbers of spiritual exiles.
- To give a place of worship to those who feel “church homeless.”

Garden Ministries honors Jesus Christ as King of kings, and as the Spirit of Prophecy in Revelation 19:9-11. Garden Ministries supports all those who want an honest and straight-forward, intimate relationship with God.

## WORSHIP · PRAYER · PROPHETIC WORDS

For a long time, many women have been in a state of intercession and prayer for the Twin City area. God has told you what to pray for and has led you through a long season of perseverance. Bring these words and your insights to this retreat and share them with others for community prayer and encouragement. As it says in Romans 12, we are part of a whole body and we need each other to see the “whole picture.”

BUT whether or not you have gotten words and prayers for our city, *if you feel drawn to come to this retreat—please come.* This retreat is meant for every woman who desires and is able to come.
